OMNIBUS ~~[PROPOSED]~~ ORDER GRANTING WELLS FARGO'S MOTIONS TO SEAL RE: WELLS FARGO'S
MOTION FOR SUMMARY JUDGMENT, OR IN THE ALTERNATIVE, SUMMARY ADJUDICATION

PROPOSED ORDER

Defendant Wells Fargo & Company's ("Wells Fargo") three Motions to Seal documents came on before this Court for hearing on October 6, 2026. Those three motions were: (1) Motion to Seal Documents Related to Motion for Summary Judgment, Or In the Alternative, Summary Adjudication, filed on July 9, 2026 ("First Motion"); (2) Motion to Seal Documents Related to Plaintiff's Opposition to Wells Fargo's Motion for Summary Judgment, Or In the Alternative, Summary Adjudication, filed on September 21, 2026 ("Second Motion"); and (3) Motion to Seal Documents Submitted With Wells Fargo's Reply In Support of Motion for Summary Judgment, Or In the Alternative, Summary Adjudication, filed on September 21, 2026 ("Third Motion") (altogether "Motions to Seal"). The Parties were represented by their respective counsel of record.

The Court, having read and considered all of the papers submitted in support of Wells Fargo's Motions to Seal, the oral arguments of counsel, and the entire record in this action, and good cause appearing therefrom, hereby orders as follows:

Wells Fargo's three Motions to Seal documents submitted by both parties in connection with Wells Fargo's Motion for Summary Judgment, Or In the Alternative, Summary Adjudication are GRANTED.

The documents at issue concern confidential business and employee information and include documents protected from disclosure under federal laws and regulations, as evidenced by the letter Wells Fargo submits from the Office of the Comptroller of the Currency. The court finds as to the documents specified below that (1) there exists an overriding interest that overcomes the right of public access to the record; (2) the overriding interest supports sealing the record; (3) a substantial probability exists that the overriding interest will be prejudiced if the record is not sealed; (4) the proposed sealing is narrowly tailored; and (5) no less restrictive means exist to achieve the overriding interest. Accordingly, the following documents are sealed:
